EVENT VENUE BROCHURE

1816 TALBOT AVENUE • JACKSONVILLE, FLORIDA • 32205

WELCOME

ThouArtExalted on Talbot is an event space that offers a unique experience in the heartbeat of Avondale off the St. John's River. As a fully refurnished and remodeled space, ThouArtExalted offers a fresh modern interior while capturing deep family roots of over 35 years. 1816 Talbot Avenue was purchased by Jacksonville community leader Barnwell Roy Daley, Jr. "Barney" as his company's office and his wife Anis' interior design office. Barney's daughter Annie Pajcic recently gained ownership and transformed the space into an inviting and treasured retreat. TAE on Talbot is the headquarters for her non-profit Christian Ministry, ThouArtExalted, which maintains the foundation and framework laid by her beloved parents.

We invite you to explore this new and old local treasure as the perfect venue for a business, bridal or just for fun luncheon as well as a rehearsal dinner, birthday party, anniversary celebration, board dinner, private appreciation event, retail showcase, art collection

opening, pre-game or watch party, and more. Located just off the corner of St. John's Avenue and Talbot Avenue, your guests will enjoy fantastic access to the Avondale Shoppes and the St. John's River. Eleven parking spots and a handicap spot are included in the event rental as well as free street parking. ThouArtExalted on Talbot provides preferred valet pricing through its preapproved valet vendor.
